Franchise

Keep up
with an
evolving
industry

Access the single biggest opportunity for independent retailers to achieve incremental sales growth.

Our online delivery benefits & results:

- Partnered with a quick commerce platform reducing order and processing time by 25%.
- Introduced 3000+ new SKUs giving customers a wide variety of food to go, top-up shops and full shop products.
- 57% customer retention for those ordering at least twice a month.
- An average order value of £19.50, driving incremental growth.
- A customer satisfaction rate of 4.5 stars out of 5, increasing our performance on online delivery platforms.
- A popular offering amongst franchisees, with 35% signing up within a month of launch.
- An easy-to-use, single-stream profit and financial report system.
- Delivery availability across the majority of England, Scotland and Wales.
